Dear Friends,

Imagine a first-class Christian magazine, published by a foremost Christian publisher geared entirely toward prayer and intercession. Now, imagine no more. NavPress' Jonathan Graf announces publication of a new prayer magazine *Pray!*

The worldwide prayer movement is "out of control!" A global prayer altar of 170 million Christians encircles the earth. These Christians are committed to pray daily for the completion of the Great Commission. God is pouring out a spirit of intercession on His people around the world!

As a faithful prayer warrior, serving on the front lines, you are in need of regular reinforcements and supplies. Each issue of *Pray!* will be filled with articles and information to invigorate and inspire you. *Pray!* will be designed to challenge and equip believers to pray more diligently and effectively and to encourage them to "step out of their comfort zones" in regard to prayer.

The objective of *Pray!* is to raise the church's awareness level of the world-wide prayer movement; help to develop stronger church prayer ministries; and encourage prayer for world evangelization and church revival.

I encourage you to become subscriber today. Don't miss a single issue of *Pray!*

Warmly,

C. Peter Wagner
