

A few of the pastors, ministry leaders, authors and others who highly recommend DISCIPLESHIP JOURNAL

"From the first issue to the present, DISCIPLESHIP JOURNAL has been a constant companion to me in my ministry. I'm deeply indebted to and thankful for the hundreds of articles I've read and benefited from over the years — every one gets filed for future reference."

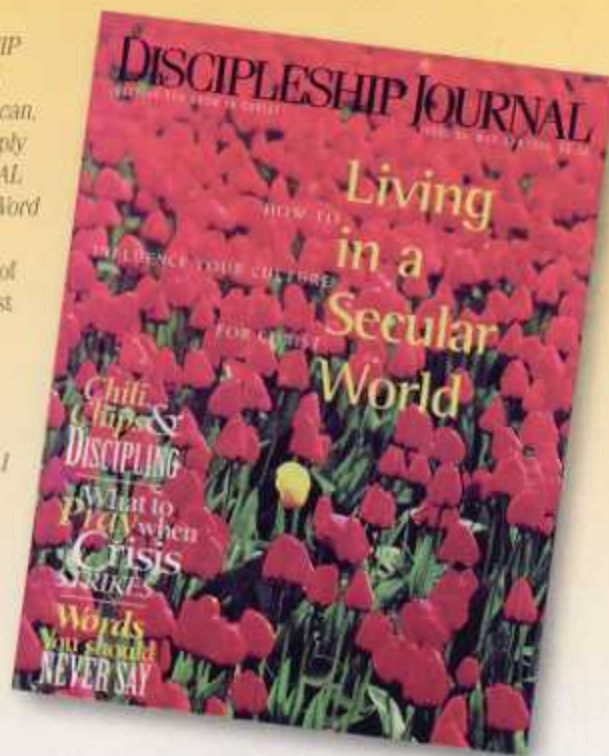

Max Lucado, author and pulpit minister,
Oak Hills Church, San Antonio, TX

"What do I like best about DISCIPLESHIP JOURNAL? When I flip the last page I can always say, 'I learned something new... I can, by God's grace, apply that to my life.' Simply put, the articles in DISCIPLESHIP JOURNAL always help me to better understand the Word of God."

Joni Eareckson Tada, president of
JAF Ministries, author, and artist

"DISCIPLESHIP JOURNAL is the only Christian magazine I get out of all the myriad of Christian magazines that exist. I refer to the articles regularly — they provide lots of seed thoughts for sermons and small group discussions."

Joel Freeman, author, pastor,
and chaplain for the NBA
Washington Bullets

"I occasionally read and save articles from the various Christian magazines that come my way. But DISCIPLESHIP JOURNAL — I literally tear up and carefully file every issue for future use. You help me and those to whom I minister."

Ray Ortlund, Renewal Ministries

"DISCIPLESHIP JOURNAL is a cutting edge magazine among Christians. It seeks to connect its readers to a more serious discipleship and a more serious engagement of the world in which they live. An important resource for busy Christians."

Tom Sine, author of *The Mustard Seed Conspiracy*

"I'm sold on DISCIPLESHIP JOURNAL. It's one of the essential journals for anyone who is concerned with effective evangelism and discipleship. It's indispensable for anyone who takes the biblical mandate of 2 Timothy 2:2 seriously."

"Having taught group dynamics for many years, I am particularly pleased with the whole emphasis on small groups through the DJ Plus feature. This alone makes DISCIPLESHIP JOURNAL particularly relevant to the community needs of believers today."

Dr. Joseph Aldrich, president, Multnomah School of the Bible, and author of
Lifestyle Evangelism

"DISCIPLESHIP JOURNAL is priority reading for me because it always contains articles that are both biblical and relevant to contemporary ministry in the church. In the most significant challenge of ministry — personal integrity and growth — DISCIPLESHIP JOURNAL leads my list of resources."

Paul Borthwick, minister of missions,
Grace Chapel, Lexington, MA

"I've come to recognize DISCIPLESHIP JOURNAL as a magazine that reaches committed Christians — those who are very sincere about perfecting their faith. DISCIPLESHIP JOURNAL's strength is in its emphasis on practical Christianity. It contains no fluff — rare nowadays — everything it offers is geared to helping Christians grow and mature."
