*This Christmas give two
Christian History gifts for
the price of one!*

Dear CHRISTIAN HISTORY Reader:

You know how much you look forward to the arrival of the new issue of CHRISTIAN HISTORY every three months. Here's your opportunity to give CHRISTIAN HISTORY to your pastor, friends, co-workers—anyone who shares your enthusiasm for the church and its historic roots. Give something different and special this Christmas—a gift subscription to CHRISTIAN HISTORY.

This year CHRISTIAN HISTORY has a great Christmas offer: give two new gift subscriptions for the price of one!

CHRISTIAN HISTORY is a one-of-a-kind magazine that your friends will use as a resource for years to come. Drawing from expert writers in a broad variety of fields, CHRISTIAN HISTORY presents scholarly material with freshness and clarity. In the coming months CHRISTIAN HISTORY will feature important figures like Thomas Aquinas and intriguing themes like "Christians and Jews Through the Ages" and "Dante Alighieri and the Divine Comedy."

Your friends will enjoy the stimulating way CHRISTIAN HISTORY approaches our Christian heritage. Each issue will be brimming with thought-provoking articles, reprints of original writings by historical figures, a discussion guide, bibliography, timeline and classic art and photo illustrations to give your friends the feeling of actually being there.

In addition to being a valuable educational tool, CHRISTIAN HISTORY magazine will inspire your friends by showing God's faithfulness through 20 centuries of our Christian heritage. Your gift will be an encouragement as they read how our Christian ancestors preserved and maintained their faith.

(over, please)

Each quarterly issue they receive will remind them of your thoughtfulness. And just think of the lively discussions you'll share after you've read the current issue!

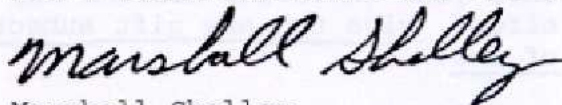

To send your CHRISTIAN HISTORY gift subscriptions, just complete the enclosed Christmas order form and return it in the postage paid envelope provided. There's no need to send payment now (unless you prefer). We'll be happy to bill you later.
