Dear Friend in Christ,

If the Holy Spirit has been speaking to your heart...

Drawing you into a deeper walk with Jesus...

Leading you into new freedom and victory...

Then *SpiritLed Woman* is perfect for you!

Look around our world today; you'll see homemakers, single mothers, professionals, retirees - women from every walk of life - hungry for more of God. These women are determined to pursue Him more passionately, no matter what barriers are in their way!

MORE INTIMATE FELLOWSHIP WITH JESUS

The Holy Spirit is leading women like you and me to discover intimate fellowship with Jesus...so He can use us in astounding ways in these prophetic last days! Now He is calling us to a new realm of spiritual vitality... to be led by the Spirit as never before!

This leading of the Spirit is the passion behind *SpiritLed Woman* - a very out-of-the-ordinary magazine for Christian women.

This is not a "lifestyle" magazine; it's not a "personalities" magazine. It is a magazine from the publishers of *Charisma* that brings you a bimonthly feast of 100 pages or more of biblical teaching from a Spirit-led perspective.

WRITTEN FOR YOUR BUSY LIFESTYLE

SpiritLed Woman will give you intensive encounters with God... even in the midst of your busy life as a wife, a mother, a career professional, a minister - whatever God has called you to!

Most of the articles are just 2 to 4 pages long - so they're convenient to read - yet they are rich with spiritual insight for your personal growth.

This means that you can experience a deep and meaningful touch from God in as little as 8 minutes - the time it takes to read a single valuable article...

Waiting for a child to finish soccer practice...

Pausing for a quiet time at lunch on the job...

Taking time out at the end of the day to refresh your spirit...

Whenever the Lord speaks to your heart and calls you apart to be alone with Him.

BECOME EVERYTHING GOD INTENDS FOR YOU TO BE

My commitment to you is that *SpiritLed Woman* will equip women to become everything God intends for them to become - to take their proper place of responsibility in the family, the church, the business world, government and society at large. Such a responsibility requires genuine spiritual maturity - not a superficial religious experience!

SpiritLed Woman will empower Christian women who are led by the Holy Spirit to fulfill God's plan and purpose in their lives.

Let me send you a **FREE trial issue, with no obligation.**

I know you will be delighted.
